

La multiplication illustrée Modèle dans une grille

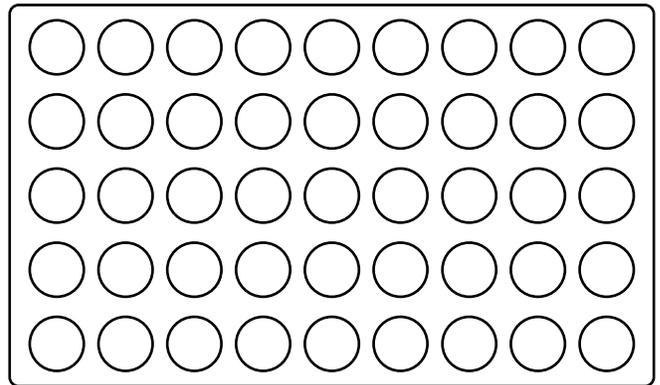

Représente les multiplications en coloriant des cercles dans chaque ensemble.

Écris ensuite le résultat de chaque équation.

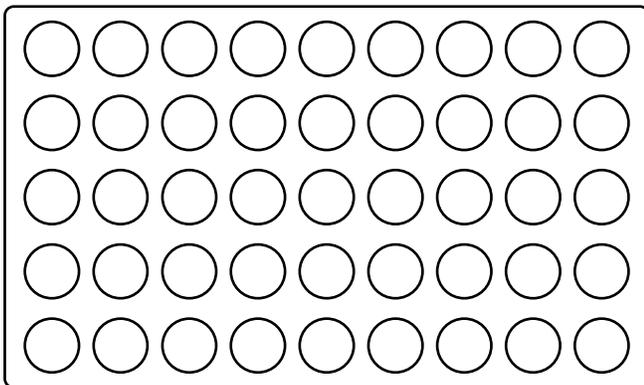

Exemple: $5 \times 2 = 10$

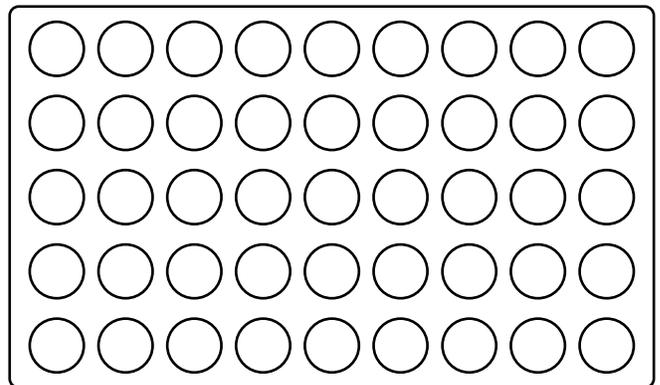

a) $2 \times 4 =$

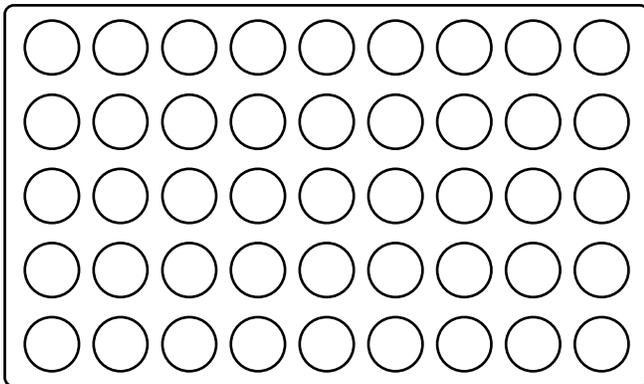

b) $8 \times 5 =$

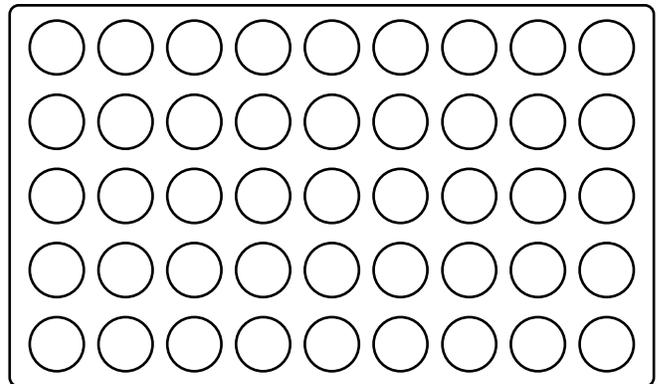

c) $9 \times 3 =$

d) $7 \times 4 =$

e) $6 \times 5 =$

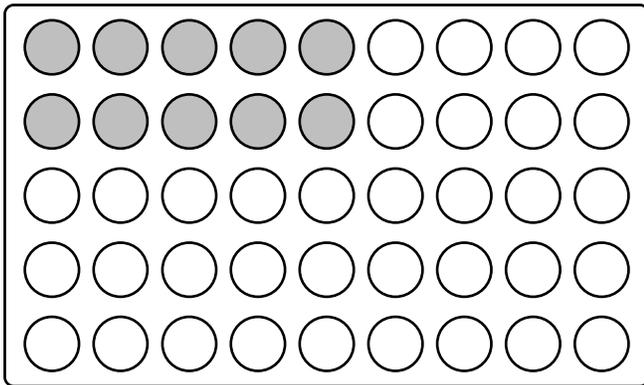

La multiplication illustrée Modèle dans une grille

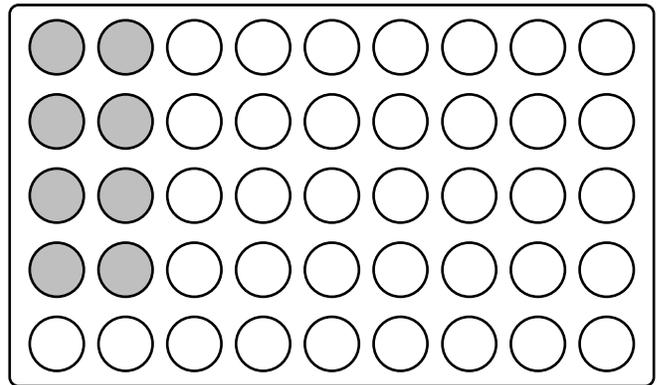

Représente les multiplications en coloriant des cercles dans chaque ensemble.

Écris ensuite le résultat de chaque équation.

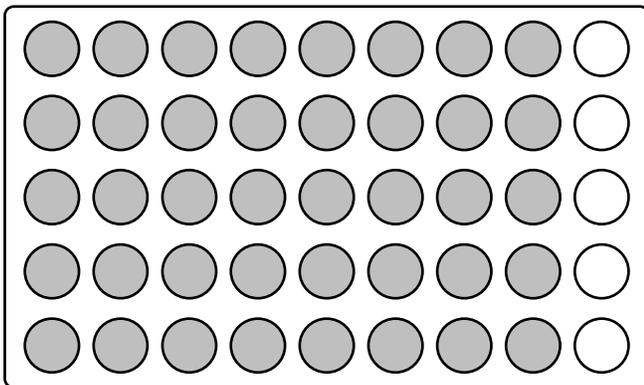

Exemple: $5 \times 2 = 10$

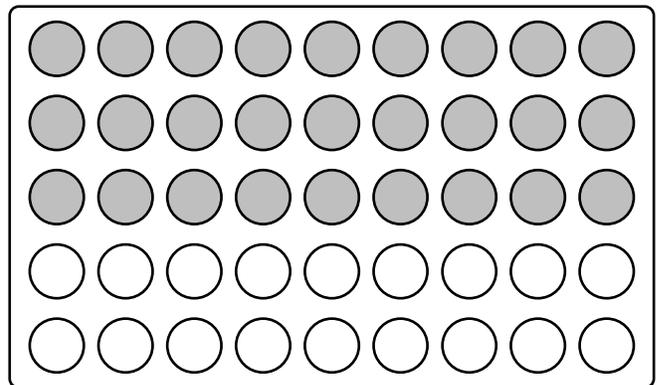

a) $2 \times 4 = 8$

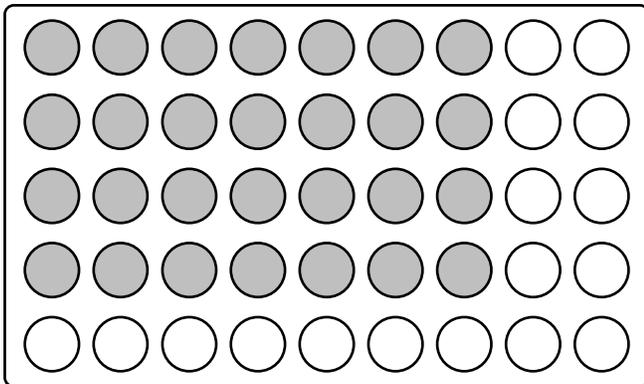

b) $8 \times 5 = 40$

c) $9 \times 3 = 27$

d) $7 \times 4 = 28$

e) $6 \times 5 = 30$
