

La multiplication illustrée Modèle dans une grille

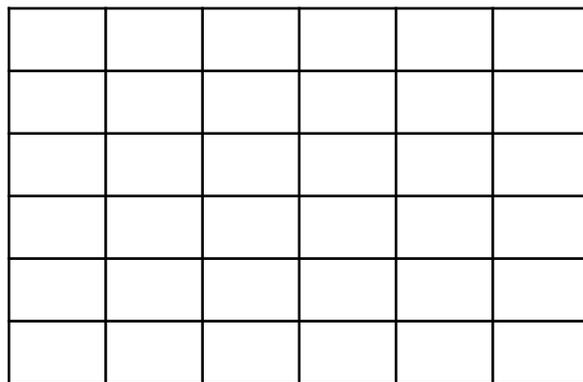

Représente les multiplications en coloriant des cases dans chaque grille.

Écris ensuite le résultat de l'équation.

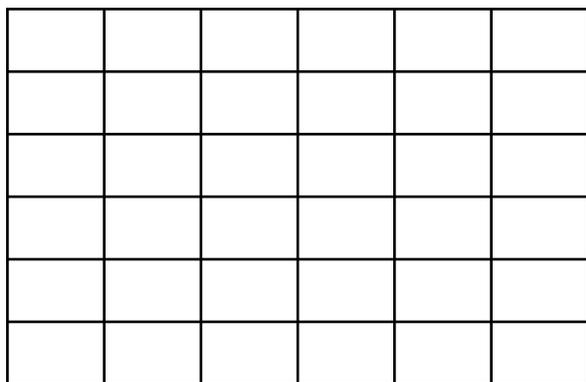

Exemple : $4 \times 3 = 12$

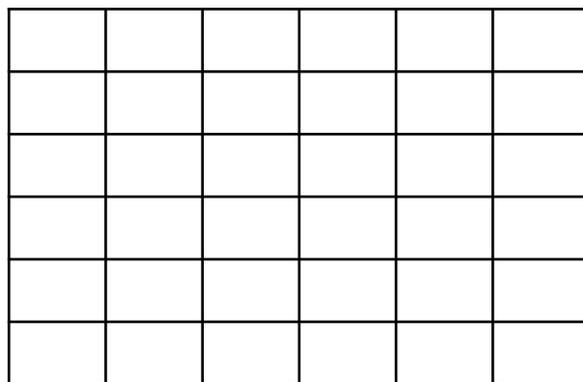

a) $6 \times 4 =$

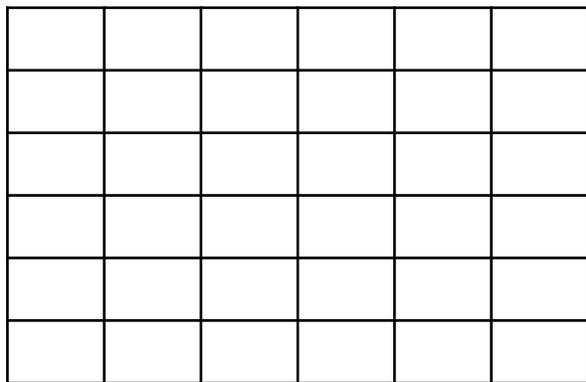

b) $3 \times 5 =$

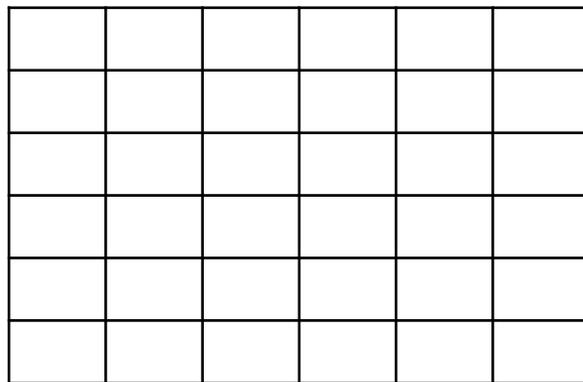

c) $2 \times 2 =$

d) $5 \times 6 =$

e) $4 \times 5 =$

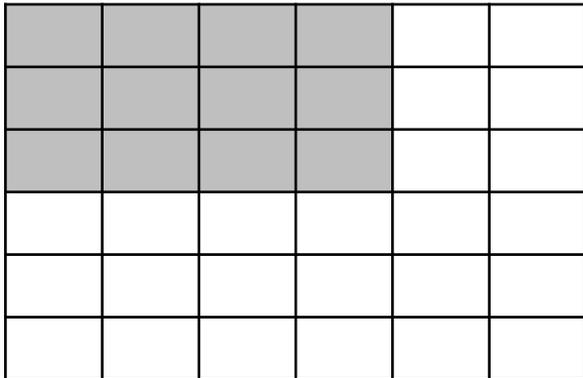

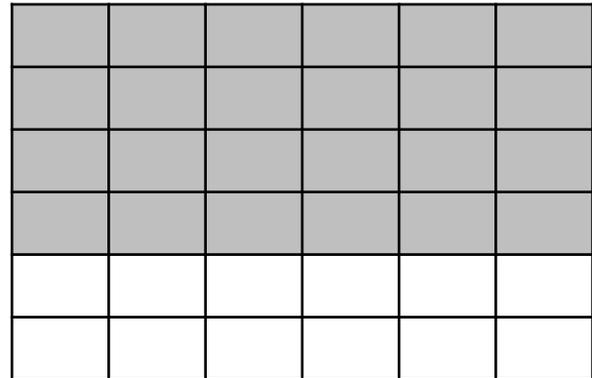

La multiplication illustrée Modèle dans une grille

Représente les multiplications en coloriant des cases dans chaque grille.
Écris ensuite le résultat de l'équation.

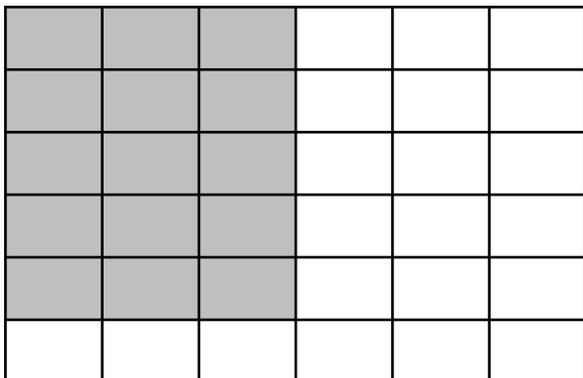

Exemple : $4 \times 3 = 12$

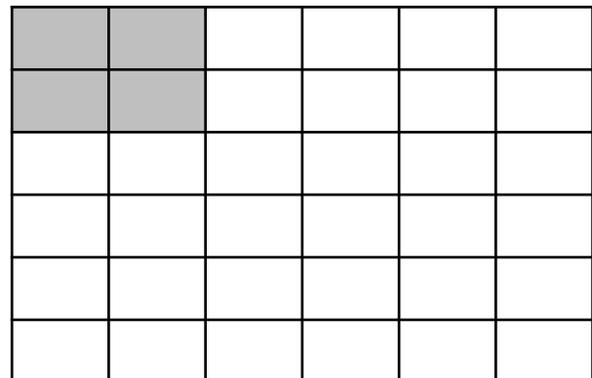

a) $6 \times 4 = 24$

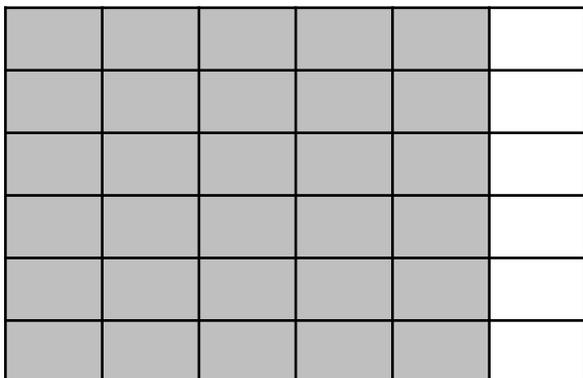

b) $3 \times 5 = 15$

c) $2 \times 2 = 4$

d) $5 \times 6 = 30$

e) $4 \times 5 = 20$
